I have a 1999 Toyota Camry CE Manual I need to sale A.S.A.P. I am relocating to another State. So it must go. It runs great. (The problems are tires need to be balance, the left driver speaker is out and just needs replacing, it has a small oil leak but can be fix, the right back passenger widow needs to be fix but the widow is up, some stains in the interior. But can be clean and needs a simple oil change.) Nothing is wrong with the Transmission and its a great car for work or maybe for a college student or first car. It has a MP3 Single CD Player with a remote and with Bluetooth. I the have title. Contact #(217)418-3987
